### NORTH-CENTRAL COLLEGE SONG

Albert A. Krug, '08

Jessie Cowles Krug, '08

*With dignity*

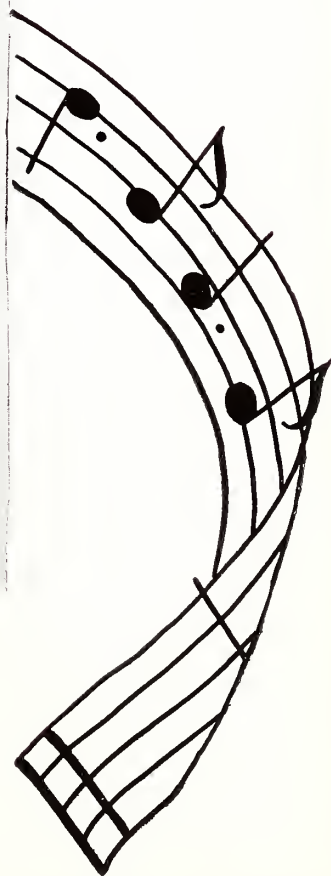

1. North-Central is the school we love, To her we sing this praise, And  
2. Your sons and daugh-ters come from far, To find a home with you, To  
3. Thy loft-y pre-cepts do in-spire, To man-hood true and strong, And  
4. In days to come when we go forth, We'll make thy hon-or known, And

from the East and from the West, You hear the voic-es raise. . . .  
get the wis-dom you im-part, And sing this song for you. . . .  
no-ble char-ac-ters as-cribe Their praise to thee in song. . . .  
oft look back to watch the course Of our dear col-lege home.

Hail! Hail! North-Cen-tral, Hail! Our Al-ma Ma-ter true, We'll

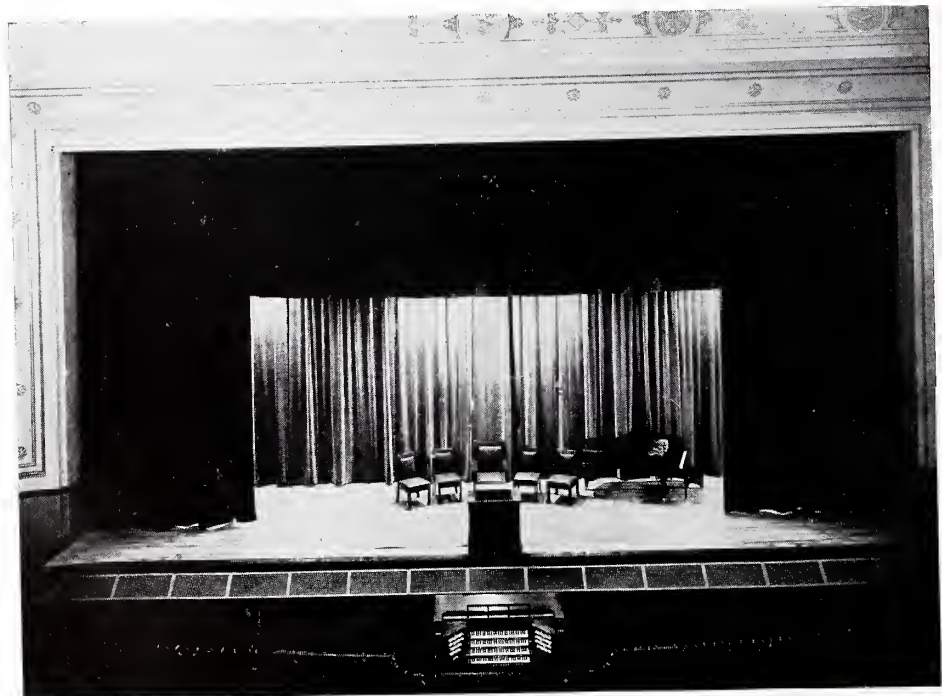

al-ways, al-ways loy-al be, To you, to you, to you.

\* Last part may be used as introduction.

# DEDICATION

Since music motivates the motif of this year's SPECTRUM, we dedicate this edition to Pfeiffer Hall for its interpretation of that musical influence. Since its erection in 1926, Pfeiffer Hall has been not only a constant symbol of accomplishment to the music students, but has also influenced the life of every student at North Central. Music for spiritual inspiration; music for entertainment, and music just for the sake of music has had its expression and very often its origin within these walls. The Class of 1947, particularly, is cognizant of its influence—past, present and future—and takes this opportunity to recognize its symbol of musical affluence at North Central.

## **DR. CHESTER J. ATTIG**

Dr. Chester J. Attig, who passed away on April 5, 1947, was born sixty years ago, on a farm near Metamora, Illinois. He received his grade and high school education in Walnut, Illinois, and entered Northwestern (now North Central) College in 1904, as a member of the class of 1908.

After his graduation, Dr. Attig taught one year in Staples, Minnesota, and two years in the high school of Leavenworth, Kansas. In 1911, he was called back to his Alma Mater, to the chair of History, a position which he had held to the present. Meanwhile, he pursued graduate study at the University of Chicago, being granted a fellowship in 1917-18. He was awarded the Doctorate of Philosophy, with highest honors, in 1921, writing his thesis on "The History of the Northwest Territory, 1787-1803."

He also wrote "The History of North Central College" and "The History of First Evangelical Church." With a group of nationally known

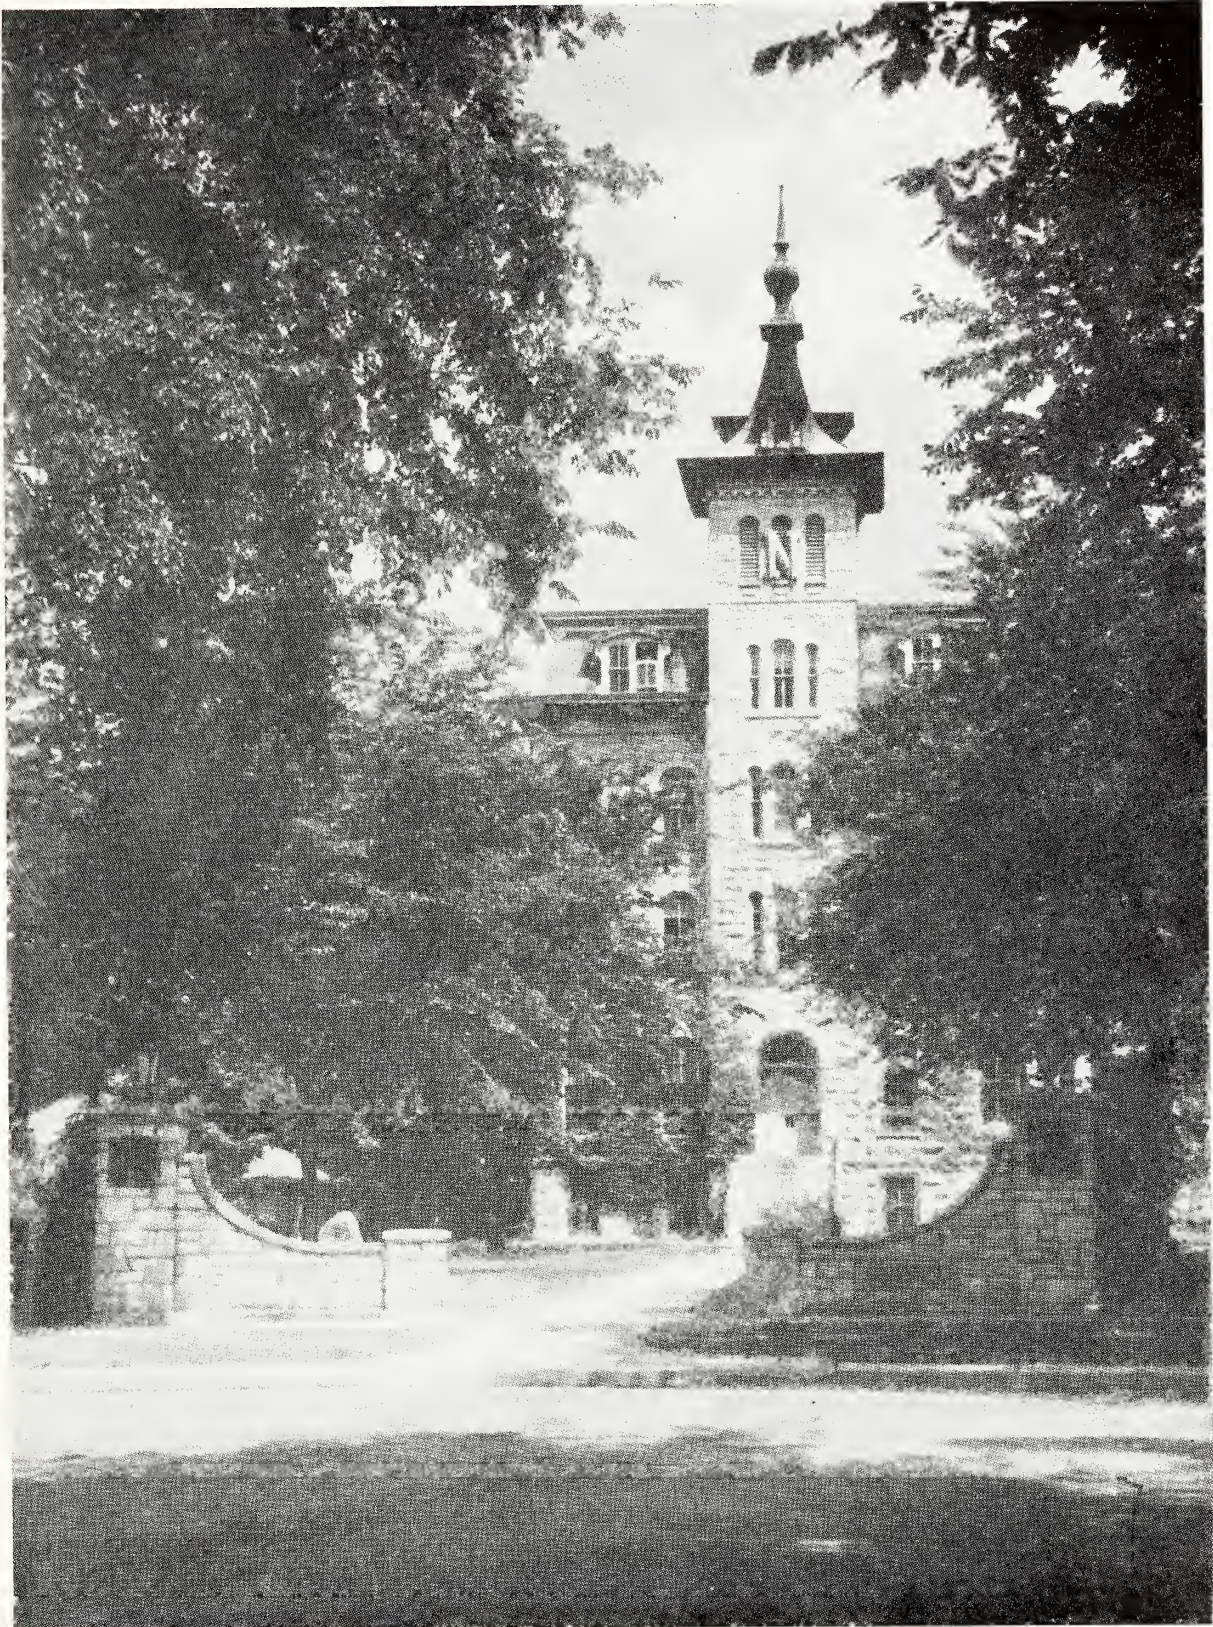

Bible scholars, he worked out an "Synchronous History of Biblical Times," published in the Larned History series. He wrote many other articles for scholarly meetings and periodicals. He was a member of The American Historical Association, the American Geological Association, The Mississippi Valley Historical Association, and the Historical Society of the Evangelical Church.

Dr. Attig was a Director of the YMCA, a member of the Naperville Council of Religion, and Secretary of the City Zoning Commission. He served as Trustee of the First Evangelical Church for many years and at the time of his death was the superintendent of the Sunday School. He was a member of the recent merger General conference, at which time the Evangelical and Brethren churches were united.

Dr. Attig was well known for his love of music, and his vocal skill. His "Sailor Beware" and his "Big Bass Viol" never failed to please. He also led many Men's Glee Clubs, and directed the choir of the First Church.

## SENIORS

The time has finally arrived when the Class of 1947 must bid North Central College adieu. It doesn't seem possible somehow, that four years have passed away and we are now preparing to leave the revered halls of Old Main.

When we came to NCC in September of 1943, we were just as green as any other Freshman class. We entered with quite a large class but soon the draft board was taking all the eligible men until our number was pretty small in comparison with present day figures. The ASTP unit on the campus held sway while we were freshmen but after they left in April of '44, things were back to subnormal where they remained until the close of the war.

Then we returned as Sophomores during the height of the war years. Growing up, we decided to nestle down a bit and pursue knowledge diligently. But things changed for us in our Junior year. More men were coming back

to the campus and it wasn't quite as easy for the girls to study any more. The increased population at college didn't add much to the size of our class though, but size didn't stop us when it came December and time for the annual Junior-Senior Banquet. We did it up brown for the Seniors in the Hotel Baker at St. Charles, Illinois.

And then we were Seniors and the leaders of the entire school. A few of the returning vets joined our ranks but we were still the smallest class in the school and only 76 graduated in 1947. But we few had a grand time our last year, starting out with Skip Day to Lake Geneva for boating and picnicking. Then we were guests of the Junior Class at the Itasca Country Club and finally May and commencement preparations came around and the Class of '47 prepared to leave the school she loved so dearly to enter into a new workaday world.

"Dick," as everyone remembers him, came to North Central in the fall of 1943. But the Class of '47 is graduating without him for Dick was killed in a taxi-train accident on December 26, 1944. He had come to N C C hoping to enter the ministry and had joined many of the organizations on the campus. As a member of Chapel Choir and the other clubs, he made many friends who will remember him as a laughing and genial fellow. The Class of 1947 pauses at this time to pay silent tribute to a classmate who is gone but still with us in spirit.

## JUNIORS

Leaving the exuberant days of its youth, the Class of 1948 as Juniors ably accepted new and important responsibilities. Receiving a "shot in the arm" from the veterans who entered their ranks, the Juniors who were well known for their pep and abundance of enthusiasm as Freshmen, became known for its campus leaders during 1946 and '47.

The Junior class' scholastic achievements are indicated by eight of its members' being on the honor roll. Other members of the class have taken over many responsibilities for things like College Day, Homecoming and various activities, social events, and drives. The athletic prowess of the Class of '48 was shown by the many men who held key positions on the football, basketball, track, swimming and baseball teams. North Central's four representatives on

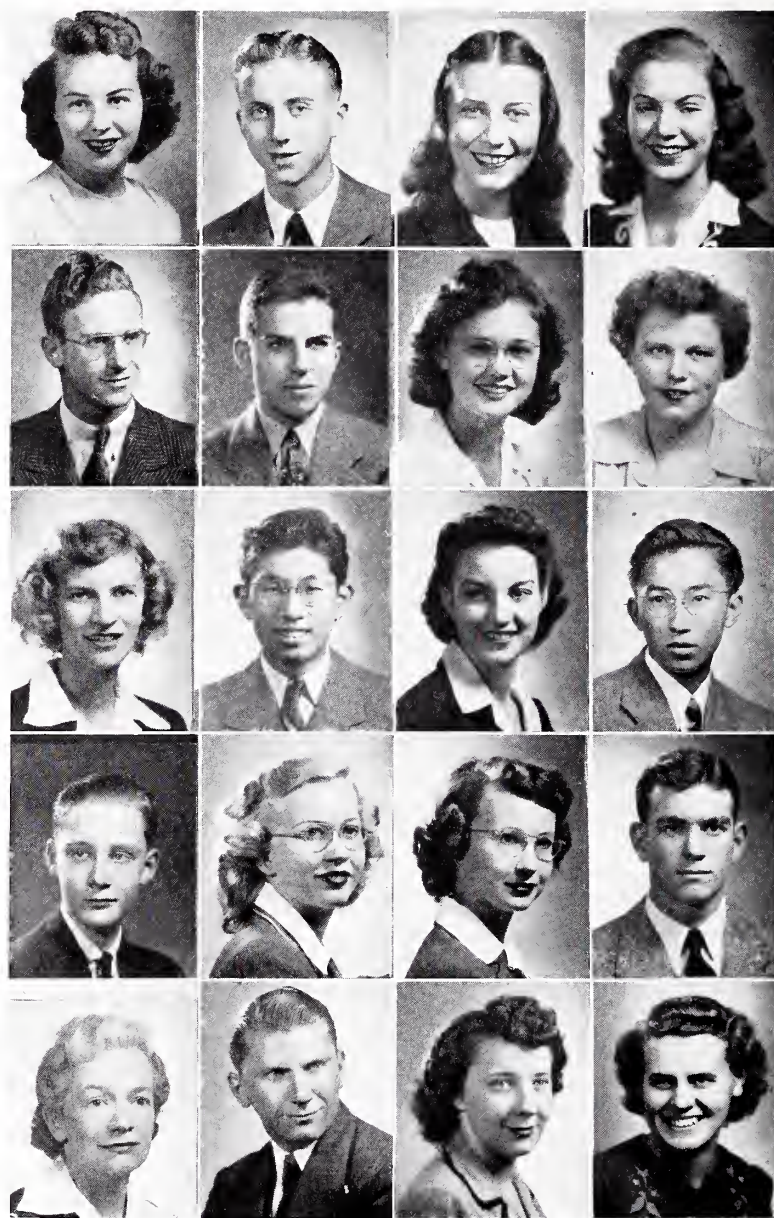

the all-conference basketball team of ten players were all members of the Junior class.

The main class project of the year was playing host to the Senior class at the annual Junior-Senior Banquet. Climaxing hurried trips to Itasca, headaches about favors, decorations, transportation, an orchestra, and a million other details, the banquet was a terrific success in a setting of tinsel and candy canes. Dr. and Mrs. Geiger were the guests of honor.

Capably leading the class through its third year were the officers who are pictured above.

Looking back, the class of '48 has many happy memories, from winning two tug-of-war, to gay spring picnics and scrubbing its immortal numerals off the trees on the campus. Looking forward, the Juniors see a Senior year just as successful and memorable.

## SOPHOMORES

"Ring out the new, Ring in the old . . ." that is the revised version of a well-known favorite for the Sophomore class. Happy that the greenness was all out of them, the Sophs were insistent on the obedience of the Frosh and in the fall, the cries of "Button, Frosh" could be heard all over the campus, especially on the soccer field, at games and any other convenient spot.

The Sophomore activities really began with the class party. Under the able direction of Ed Tehle and Bob Morton, the entertainment and eats were properly disposed of in short order. The men had a field day with two girls to every fellow there.

The decrease in number from the Freshman

year didn't worry this energetic class. The class of '49 regained its prestige after losing the Tug-o'-War to a 'vet' Freshman team by capturing the Flog of 1950. Niel Colwell was the winner of this event with the aid of some of the taller greased Sophomores.

The nearness of Homecoming spurred the class of '49 on to better things which come through the efforts of the float committee. The Homecoming Parade was graced with the addition of a float, and a good one too, from the Sophomore class.

With deep regrets, the sophs give up the privilege of guiding the new and innocent Frosh but they are looking forward to a bigger and better Junior year as the "49er's."

## FRESHMEN

Veterans, veterans, and more veterans swelled the class of '50 to a big high. But being just as "green" as were the studs fresh from high school, they timidly met their Big Brother or Big Sister and were ushered about the campus. They held their torches just as high as did everyone else and yelled "auch" just as loud as the others when the unmerciful paddle of some fiendish upperclassman whacked their posterior. They showed the rest of the school who was the boss, though, when the Sophomores left the Tug-of-War feeling rather damp.

The Fresh looked rather jaunty in their green beanies. Many of them wore them at a rakish angle—buttoned and double-buttoned faithfully and obediently. There were some regrets when Homecoming came and they couldn't wear them anymore. One serviceman quipped: "Heck, now everyone will know I'm bald!"

Then came the formal reception when the Freshman lads and lasses elegantly paraded across Pfeiffer Hall stage in formal attire far all to see and admire. The Class of '50 was welcomed into the kingdom of North Central and proudly presented their chosen class colors, purple and white.

Dwight Freshley took over the presidential duties second semester and with the aid of the other officers and committees from the class, succeeded in putting on the first talent show of the Class of 1950. The show was a grand success and the class is to be commended for the production.

Dr. Attig was the advisor of the Freshman class for 1946-47 and handled the many activities and problems very efficiently.

## *Let's Win This Game*

The Geiger Twins

All of NCC's athletic contests were enriched with the appearance of the two groups of students pictured on this page. The cheerleaders added new members to their number and also started a Pep club for the improvement of cheering for our Cardinals. The Geiger twins played an important part as drum majors for the band. Many times during the football season, the twins lead the band down the field putting on a great show for the spectators with their amazing feats with the batons.

The band and orchestra which are pictured on the opposite page, played a large part in the musical side of North Central during 1946-47. These two organizations increased in size over former groups and with the added power, they went all out in aiding NCC in any way possible. The band livened many a football game and helped the cheerleaders with background music for several cheers at both football and basketball games. Besides its work at the athletic contests, the band also produced a program in the spring.

Football not only got back on its feet but ran wild and roughshod during the 1946 season. The rampaging CARDINAL expertly coached by Herb Heilman roared through a triumphant season climaxed by winning the College Conference of Illinois championship. The '46 squad was the first team to be coached by Herb Heilman at North Central and the first eleven to cop the championship since 1917.

The first game of the year was played before a home crowd with the Illinois Wesleyan team. Running off a T formation, they quickly showed their power and smoothness as a team with the first points scored by Ken Kouri who completed a pass from Jacobs. Tilden then came along and won the kick for the extra point. Another fieldgoal kicked by Tilden brought the score up to 10-0. In the second half, the CARDINALS rallied up to 17 points while the Wesleyan team remained at the 0 mark.

The next game of the season was with Millikir. there. NCC's first and only tally came after a re-

covered Millikin fumble in the last quarter. Hatfield, Fredenhagen, and Jacobs pushed the ball down into Millikin territory with Jacobs going over to score. The Big Blue made 6 points on a pass, but failed to convert for the extra point. The game ended with NCC on top with the extra point kicked by Tilden.

Playing on home field again, the CARDINALS stepped all over Illinois College to the tune of 39 to 0. Our linemen made a practice of spending most of their time in the I.C. backfield.

Chilling winds from Lake Michigan swept across the soggy Lake Forest gridiron as the Cards trudged homeward with their first and only defeat of the year. A 30-yard drop-kick had broken a 7-7 tie and brought defeat to Naperville. "It won't happen again" the Cards muttered as they came home with a score of 10-7 in favor of Lake Forest.

Revenge was sweet for NCC's Cards as they journeyed to Carthage and quickly proceeded to push the Redmen around the field. Len Burch, a fleet little freshman halfback, proved he could

carry the ball as fast as he can talk when he found the other side of the Carthage goal-line. Smith, Ontko, and Cross also got in on the fun as each crossed the 6-point stripe once. The final score was: NC 40 Carthage 0.

The old feud between North Central and Wheaton bloomed again this year over on the Wheaton field. The Cards continued to hold the Crusaders off our line throughout the game. The first and winning score came late in the second quarter as Kouri sent a pass down the field of Fredenhagen who scampered across the goal from the 12-yard line. After the extra point was won by Tilden, the final score appeared as NCC 7, Wheaton 0

Homecoming and another great day for the Red-and-White as they played a winning game with Augustana before alums and students. In this game with the final score 18-0, everybody on the team got to play and the reserves showed the same spirit as the first string.

The last game of the season with Elmhurst found the CARDINALS emerging from the field covered with mud and glory, with the final score of 13-0.

The Conference Champs wound up the season by tackling the annual football banquet at which "Big John" Perucca was selected by his teammates as the most valuable player of the season, an honor which he well deserved.

## Basketball

North Central College concluded a long, hard, and successful basketball season by gaining runner-up honors in the newly organized College Conference of Illinois. Coach Belding in his first year at the helm of the CARDINAL cage squad, guided the team to eight conference conquests against only two defeats with an overall season record of 13 wins and 4 losses.

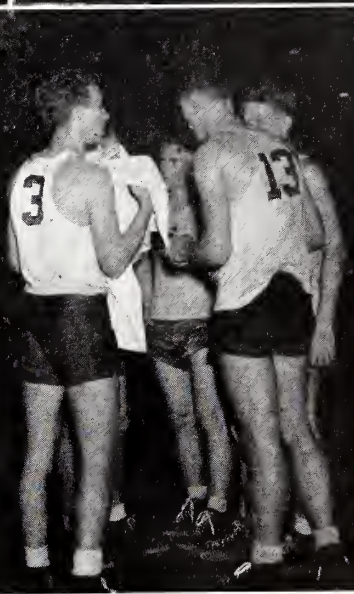

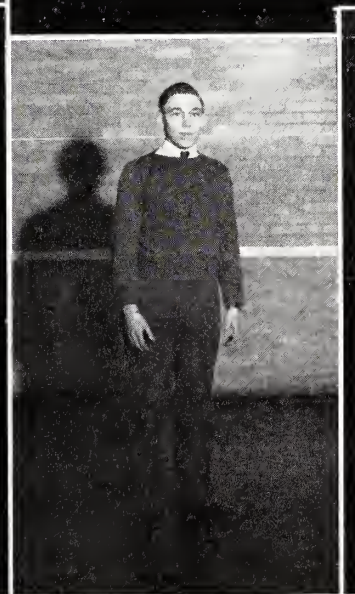

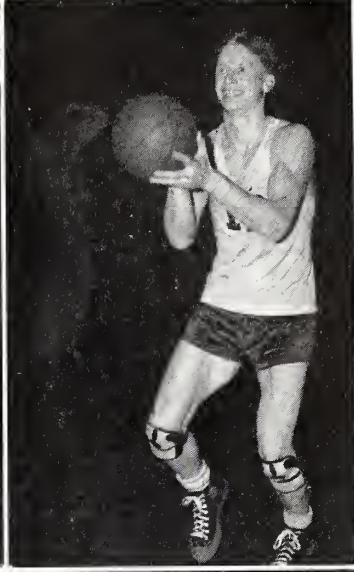

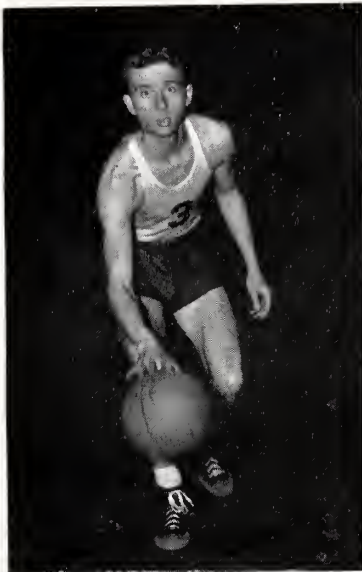

In their first home game of the year on December 7, the Cards defeated Elmhurst 53-33. Ed Zager and Dick Smith sparked the victory with 14 and 11 points each.

December 13 found the Beldingmen traveling to Decatur where they dealt the future champs of the league, Millikin University, their only conference loss of the season. Bud Berger's 12 tallies were instrumental in victory.

Christmas holidays over, the CARDINALS encountered Lake Forest College on January 11, and sent the Goldcoasters home with a stinging 51-37 defeat. Bartlett and Bud Berger led the scoring with 14 points apiece.

Tex Lehker hit for 18 markers and Ed Zager for NCC whipped a weak Elmhurst squad 58-45 on January 14. The team followed this up with another road victory when they walloped Lake Forest again with a score of 64-35. The Zager brothers, Ed and Carl, led this assault with 21 and 17 tallies respectively.

CARDINAL'S BALL

The Cards tasted defeat for the first time in eight contests when Illinois Wesleyan came up with a winning game of 60-50. It was the first loss of the year for the Cards and knocked them out for the conference lead.

With Ed Zoger and Bud Berger scoring 16 and 12 points each, and Tex Lehker rebounding like a man possessed, the Cards bounced back from the Wesleyan defeat to win over their traditional rival, Wheaton, 47-42, in what was probably their best game of the season.

Carl Zoger scored ten points to lead the Cards in a 57-31 win over Corthage on February 10, but four days later, the home team was upset by a host Augustana five, 56-51. Ed and Carl Zoger contributed 12 points to the losing effort, which sent the NCC quintet into second place.

The following week the squad traveled to Jacksonville, where they ran up their highest score of the year by defeating Illinois College 70-48. Bob Bartlett's 14 points added to John Berger's 13, led the team to the victory that clinched second place in the conference standings.

In another bitterly fought game, North Central again defeated a highly-rated Wheaton quintet on the Crusader's court, 49-46. Lehker's all around playing was the deciding factor in this contest.

Ed Zoger, talented Junior forward, was high point man for the season with a grand total of 185. He was elected to a first string position on the conference all-star team. NCC gained further honor when guards Smith and Berger, and center Tex Lehker were elected to the second team all-star positions.

## Men's Swimming Team

The men's swimming team gave some excellent exhibitions of swimming during the year although they didn't win all their meets. Yonker was helpful in gaining points with his diving, while Larson and Ferch really came through with the points for their 400 yd. and 200 yd. free styles. This team aided in making swimming one of the most popular sports at NCC this year.

## 1946 Women's Tennis

The Women's Tennis Team during the 1946 season did a wonderful job in bringing home the glory to North Central College by winning every one of their six matches. Each member of the team is to be complimented for doing so very well for their Alma Mater. The scores of the matches were as follows:

## *Indoor Track 1947*

The Cordinal indoor track team for the 1947 season got off to a flying start under the expert eye of Coach Bob Arlen. A strong squad composed of a number of veteran lettermen and promising newcomers turned out.

The Thinclads first meet was a quadrangle affair with Concordia, Morton Jr. College, and Elmhurst. NCC ran away with the show gathering in a total of 104 points. Outstanding in events were captain Russ Gibson who captured the half-mile race, Tex Hoesch in the mile, Johnnie Prescott in the hurdles and dash and Dick Weiler who had little trouble in taking the pole vault this season.

The next meet found our trackmen beating out a strong Loyola outfit and the Milwaukee State Teachers team. Don Haas was high point

man for the red and white, placing in the low hurdles, broad jump, and high jump.

Another win was chalked up the following Saturday when our boys entertained their friends from Wheaton in a very close contest. A clean sweep in the low hurdles and a victory in the relay kept NCC's record clear.

Reaching top form before the annual Midwest Invitational Track meet, NCC's cinder-pounders grabbed their fourth straight win of the season from DeKalb and Beloit.

Credit should be given to Coach Arlen for developing a very successful and well-rounded track team. The merits of the team are shown in the final scores of the Invitational in which the Cordinal thinclads come in second lacking only three points of winning.

## 1946 Golf

The second semester of 1945-46 brought a great change in things around the campus and men for the golf team was a reality again. Although only three of the team members are pictured here, the other members include: Joe Turner & Geils.

Besides the events listed above, a conference golf tournament was held in Naperville in May. Naperville came in fourth with Don Darfler, our high scoring man, tying with 163 strokes. Since the 1946 season was just the beginning of golf activities on the campus again after an absence of such a team for several years, the results were very gratifying and with Prof. White as the coach for the team during 1946, more tournaments were held. Golf is once more in its rightful place on the campus.

## 1946 Baseball

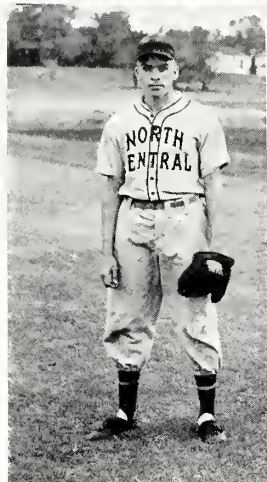

The returning vets have added a great deal to everything at North Central College and baseball was certainly no exception. The ranks of the team rose to a new high after the lean years during the war and the schedule for the season was much larger than those previously. Out of the ten games played in the spring of 1946, the NCC Cardinals won four, which is a good beginning for future teams now that we once more have the manpower. Frank Novatny was the captain of the 1946 baseball team and Frank Walgast the manager. The NCC baseball team for this year was the last one to be coached by Dr. C. Leonard Bieber who has now devoted his entire time to teaching Geology.

The only athletic organization on the campus for women is W.A.A., the Women's Athletic Association. The girls in this club are interested in playing the game and playing it fair and square. There are many types of games in which the girls can participate. Among the individual sports, there are ping-pong, tennis, bowling, archery, swimming, and badminton. Games like soccer, volleyball, basketball, and baseball are considered group sports and for the really ambitious girls, points are given for these sports which earn the girls letters and other awards.

Trophies and awards are given to the individuals and teams who win the various tourna-

ments. Some of these winning teams are shown on page 73. The names of the winners are placed on the awards or trophies and the awards are kept by the girls while the trophies are placed with others in the WAA trophy case.

The social life of the girls who join WAA is also very well taken care of. Near the beginning of this year, there was a moonlight hike out to the Garden Club Cabin where refreshments were provided. There is an annual soccer banquet in honor of the winning soccer team, the class of '48 this year. Other banquets of the year include the basketball and the initiation ones which were combined this year and held on April 2, 1947. The Freshmen and other new members wore rather odd clothes to this as a part of their initiation. Putting on some stunt for the program was another part.

The winners of the archery tournament are not shown on the following pages but the three highest persons in 1946 were: Minerva Diekvoss Batt, June DeWolf, and Maxine Blackwood. The winning basketball team was not available for a picture but the Freshman Class ran away with the honors. The Juniors came in second, Sophomores third, and the Seniors fourth.

## Soccer

The soccer tournament was just as exciting this year as it ever was in the past. The Junior team came out the winner, with a total of four wins, no losses, and two ties. The captain of this year's team was Willie Hammond.

## Volleyball

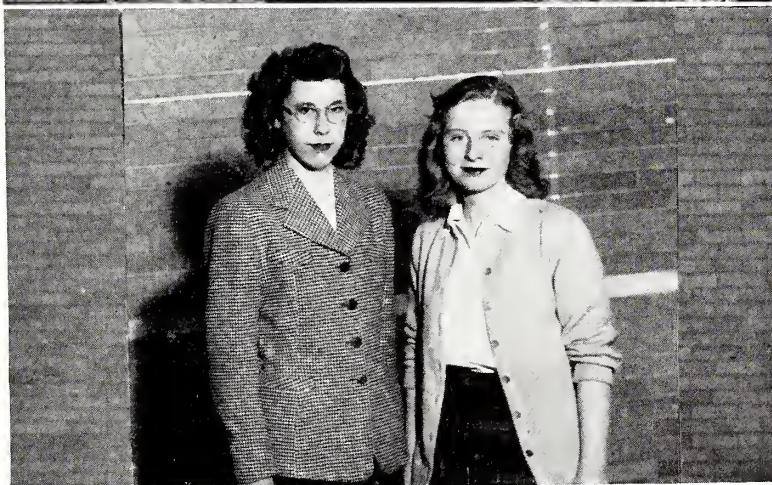

The Junior class once more came through with flying colors to win the volleyball tournament. With Mary Branigan as captain of the team, the class of '48 recorded seven wins and one loss. This winning team was the Junior 2 group. Other scores were as follows:

## *At The Games*

# *A Tribute*

## *To Our Favorite Hit of the Year*

Loyalty to and love of an institution are two qualities in a man which make him loved by all who are connected with that institution.

One person at North Central College who has these characteristics along with a personality plus is "Bill" Frederickson, chief engineer of Merner Fieldhouse. Bill began his job at the fieldhouse when it was first opened in 1931. He has not only been doing his job well and untiringly, he has been devoted to it . . . because of his loyalty to N.C.C. and his love of athletics and good sportsmanship.

Bill's job knows no eight hour day and he has often sacrificed personal desires and wants to help the students with some small but important detail. Any one who has spent any time in the fieldhouse knows that he needs only to ask Bill and everything will be taken care of.

North Central has no better athletic historical source than Bill who remembers games by the innings or quarters rather than just the scores. He remembers meets by the times and individual performances far better than any journal.

Therefore it is fitting that we close the Sports section of the 1947 Spectrum by paying tribute to one of the most loved persons on the campus of North Central. Loved by those who have graduated . . . loved by those here . . .  
BILL FREDERICKSON . . . a truly great CARDINAL.

To get the wisdom you impart,  
And sing this song for you.

## DR. C. H. GEIGER

Dr. C. Harve Geiger, Dean of Coe College and twice its acting president, was elected by the Board of Trustees as President of North Central College. He was a member of the Coe College faculty for 18 years, coming as an associate professor in 1928. In 1933 he became professor of education and psychology and has been dean of the college since 1934.

He was first named acting president of Coe on June 15, 1941, when he assumed the duties pending the selection of a successor to Dr. H. M. Gage. He again was appointed acting president on November 14, 1944, following the resignation of Byron S. Hollinshead, present president, last August.

Dr. Geiger received his bachelor of arts degree from the University of Chicago in 1922, his master of arts from Harvard University in

1928, and his doctor of philosophy from Columbia University in 1940. He also studied at Manchester College, North Manchester, Indiana.

Our new president has also given much time to public speaking, and, in this capacity, he has served numerous civic and educational groups and churches in eastern Iowa. He has taught a Sunday School class for fourteen years and has on two occasions organized and conducted a training class for Sunday School teachers.

During the period of Mr. Geiger's affiliation with Coe College, he has been active in various community and civic enterprises, serving as education consultant of the YMCA, advisory member of the educational staff of St. Luke's Hospital, and many others.

## *Women's Glee Club*

The Women's Glee Club is an ambitious group of singers under the leadership of Miss Schell. With Jane Matthies as president, Gwen Thede, secretary, the club practiced throughout the year for various programs which they gave. One of the most important events for the girls was the trip to Chicago to sing at Orchestra Hall for the Sunday Evening Club. The girls also worked very hard on the concert which they gave at college in the spring. The Women's Glee Club joined with the Men's organization during the Christmas season for a chapel program.

With the return of many men from the armed forces, the Men's Glee Club grew considerably during 1946-47. Professor George Luntz is the director of the group and the president for this year was Howard Hahn. Wayne Hess was the secretary and George Yenerich the manager. Beside putting on various programs throughout the year on the campus, the association traveled to other churches in Indiana and Ohio during their Spring trip. The club also attends various church meetings and conferences.

The Student Council is the student government of North Central College. Through it, the students and administration discuss and direct the activities of the campus.

In the spring of each year, annual elections are held and the student body votes for the representatives in the council. The president and representatives-at-large are elected in this manner. Class representatives are selected by their respective groups as are members from other organizations: Y.W.C.A., Y.M.C.A., Publications, Forensic and Athletic Association Boards.

The selection of Homecoming and College Day chairmen and editors and business managers of the college publications were among the things done by the council under Duane Buholz, the president. This group also chose the student comptroller and approved the budgets. Acting in an advisory capacity, the Student Council was the governing body in a school where democracy is practiced in its student self-government. The members of the council were as follows:

Duane Buholz  
Representatives-at-large  
Senior Representatives  
Junior Representatives  
Sophomore Representatives  
Freshmen Representatives  
YWCA Representative

# SOCIAL COMMITTEE

The College Social Committee is the group on the campus which is in charge of all the college social events. This committee was headed by Miss Alice Meier this year and the students and other faculty members succeeded in putting on a varied program for the students.

Some of the events sponsored by this group were the roller skating parties which were divided into several periods so that the large crowds could all skate during at least one period. The social committee handled all the arrangements for this party and did all the work before and after them. The Christmas Tea with the singing of Christmas Carols by students of foreign language classes was another project of this organization.

One of the largest parties of the first semester was the County Fair at which students enjoyed

the fun of a fair down in Merner Fieldhouse. There were games galore and fortune-tellers as well as all the other things one encounters at a county fair. Door prizes were donated by Naperville merchants and given to the lucky students. The Freshman Reception, the only formal affair for the entire student body the first semester, was put on by the Social Committee with the cooperation of the Student Council.

The second semester brought many more parties with this committee in charge, but the most memorable one was Sadie Hawkins Day. After a day of race-running, all the Dogpatchers of NCC went down to Nichols Hall to play hill-billy games, drink Kick-a-poo Joy Juice, and greet their newly elected Li'l Abner (Tex Lehker) and Daisy Mae (Grace Norenberg).

# BOARDS OF CONTROL

## *Student Finance Board*

Standing: Geier, Buholtz, Yenerich.

Seated: Schendel, Henningson, Geiger, Houghton, Kerr.

The Student Finance Board is now fifteen years old and is kept busy allotting money for the various student activities and then too, they take care of any extra business which occurs during the year. The fees are handled through this board which apportions them to: the four classes, social committee, the publications—CHRONICLE, SPECTRUM, and CARDINAL, musical and dramatic organizations, concert-lecture programs, athletics, and the student council. The Student Council approves the activities of this organization.

Standing: Eichelberger, Allen, Schleuter, Gast.

Seated: Eastman, White, Kerr, Geiger.

The Publications Board is responsible for the three college publications: THE COLLEGE CHRONICLE, THE SPECTRUM, and THE CARDINAL. The editors and business managers of these publications plus the faculty advisors of each staff, compose this group. The board maintains and exercises regulatory powers over the finances and works of the publications. In addition to this, it recommends to the Student Council, the individuals they feel best fitted for the top publication positions for the following year.

STUDENT UNION BOARD OF CONTROL: Row 1: Eichelberger, Hotchkiss, Simonsen. Row 2: Miss Meier, Prof. Domm, Prof. Kerr.

## Athletic Board of Control

The president of the Athletic Association is chosen in the Spring and he is a member of the Athletic Board of Control. Russ Gibson was elected the president for 1946-47. The aim of this board is to promote and regulate intercollegiate and intramural athletic activities. The board also checks the income and expenses of the Athletic Department. The selection of lettermen is done by this board after the coaches' recommendations have been approved.

## W. A. A. Board of Control

## Forensic Board

The Forensic Board is the controlling board for all the speech activities on the campus. Its officers are elected in the annual spring elections by the entire student body. George Yenerich was the president of the board for 1946-47. This board is the controlling body of the Forensic League which includes the whole student body.

With the Student Union Room in constant use this year due to the enlarged student enrollment, the Board of Control was kept busy all year long. It is the duty of this board to set up the rules of conduct for the room and to see that they are carried out. The Union Room is actually too small for the amount of students who use it daily and tentative plans were made by the board to increase the size of the room as well as the possibility of obtaining a grill. The board has a fund which is set aside for the purpose of redecorating and enlarging the room which will be used as soon as the necessary arrangements can be made. Prof. Kerr is the manager of the Union Room with Dwight Rieke as his assistant for 1946-47.

## *Sigma Tau Delta*

"Sincerity, Truth, and Design" serves as the inspiration and motto to the members of this organization. Some of the more talented writers have had their articles accepted for publication in the quarterly collection of the best writings of the club.

This chapter of the national honorary fraternity serves as an aid to the English students who belong to it. Manuscripts are criticized and suggestions for improvement recommended to the author. Miss Wiley is the advisor of the Sigma Gamma chapter of Sigma Tau Delta and Chuck Evert served as president this year.

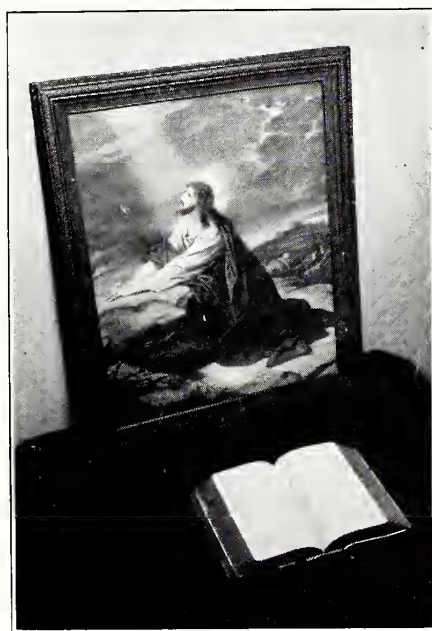

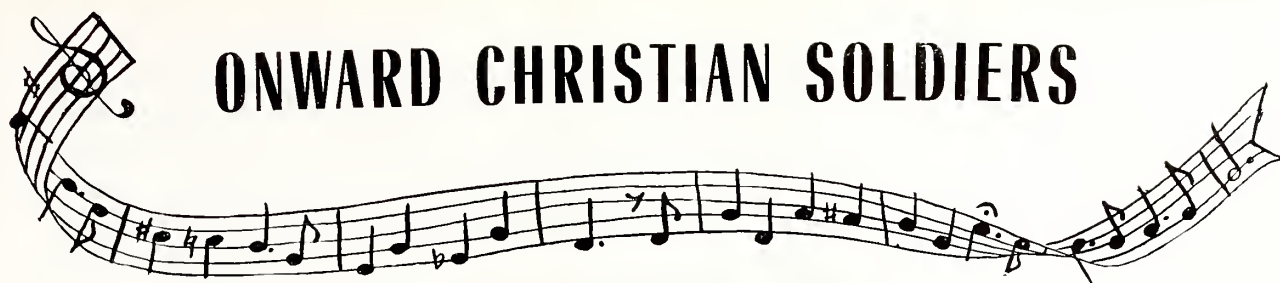

## *Pi Gamma Mu*

The motto of Pi Gamma Mu is "Ye shall know the truth and the truth shall make you free." Since 1925, North Central Alpha Chapter has been carrying on the work and the traditions suggested by its motto.

To become affiliated with this group, it is necessary that a student have the following . . . a scholastic standing of B; a major in philosophy, psychology, commerce, history, sociology, economics or political science; and 20 hours completed in any one of these fields.

This society, with its sincere and honest interest in individual and world affairs has given members many hours of enjoyment and inspiration.

*Beautiful Saviour*

Standing: Daw, Norenberg, Kohlhepp, Wendland, Soeffker, Jelinek, Gibson, Zwickey, Matthies. Seated: Eichelberger, Attig, president, Mrs. Dute, advisor, Steiner, Kellerman.

## *Y. W. C. A.*

The Young Women's Christian Association of North Central College is a part of the national organization as well as being the religious group on the campus that devotes its time and talents to the women at N.C.C. Throughout the year, this group of girls work hand in hand in many ways with the other religious groups on the campus. Then too, the YWCA has activities in which only the women who belong participate. The two largest religious organizations sponsor a Fall retreat in which the program for the year is planned cooperatively.

Some of the things that the Y.W.C.A. does in conjunction with the Y.M.C.A. are the most important religious events of the campus year. This year, two Religious Emphasis Weeks were sponsored by these groups. Rev. Merrill Davis of Chicago was speaker at the fall R. E. Week and in March, Dr. Veh appeared on Pfeiffer Hall stage for the second week of emphasizing religion. The WSSF is another joint project and after a week of interesting programs presenting the need for funds to students throughout the world, the two clubs held an Auction in Smith Hall to raise more funds. At this auction,

students bought things which their profs had donated. Some donated knitted mittens, cakes, pies, help with studies and other similar articles. Silent chapels are produced by the Fellowship committees of the two groups. The Y.W. and Y.M.C.A. furnish students the opportunity to teach Sunday School at Mooseheart every Sunday during the year. Other combined activities are the weekly prayer and discussion groups and various chapel programs.

The Big-Little Sister events of the first week are made possible through the efforts of the Y.W.'s Freshmen work committee, which handles all the arrangements for the annual Big-Little Sis Banquet. Heart Sis week is one of the most important and entertaining weeks for the girls. Each girl picks a heart sis to whom she gives presents during the week and on the following Sunday, at the Heart Sis Tea, each girl finds out who her sis has been.

The officers for 1946-47 have been: Miriam Attig, president; Audrey Eichelberger, vice-president; Charlotte Steiner, secretary; Marie Kellerman, treasurer; and Mrs. Dute, advisor.

# *y.m.c.a.*

The Y.M.C.A. is North Central's leading male organization, revolving around the religious activities of the campus.

Although a separate organization from the Y.W.C.A., many of the Y.M.'s activities are planned and carried out with the cooperation of the similar organization for women. For example, the Y's sponsor services in Smith Hall. Silent Chapel is jointly produced by these two groups every Tuesday morning. Certain special events during the year are under the sponsorship of these clubs. Religious Emphasis Week was one such event this year and something new was done when the second such week was presented to the student body in the spring of 1947.

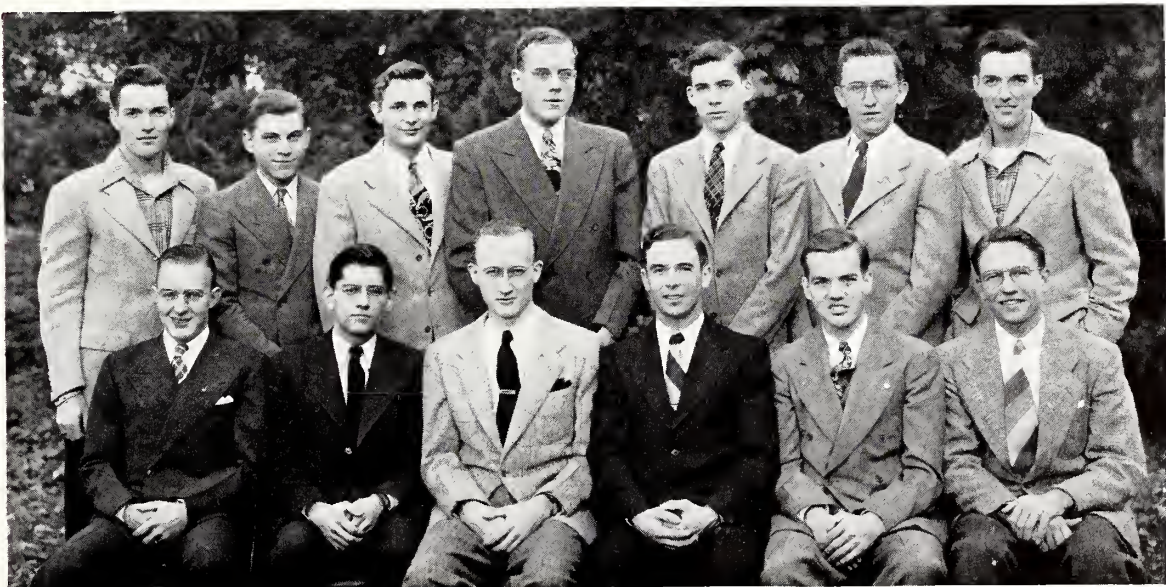

Vocational Guidance Week is another co-sponsored affair presented to the students with

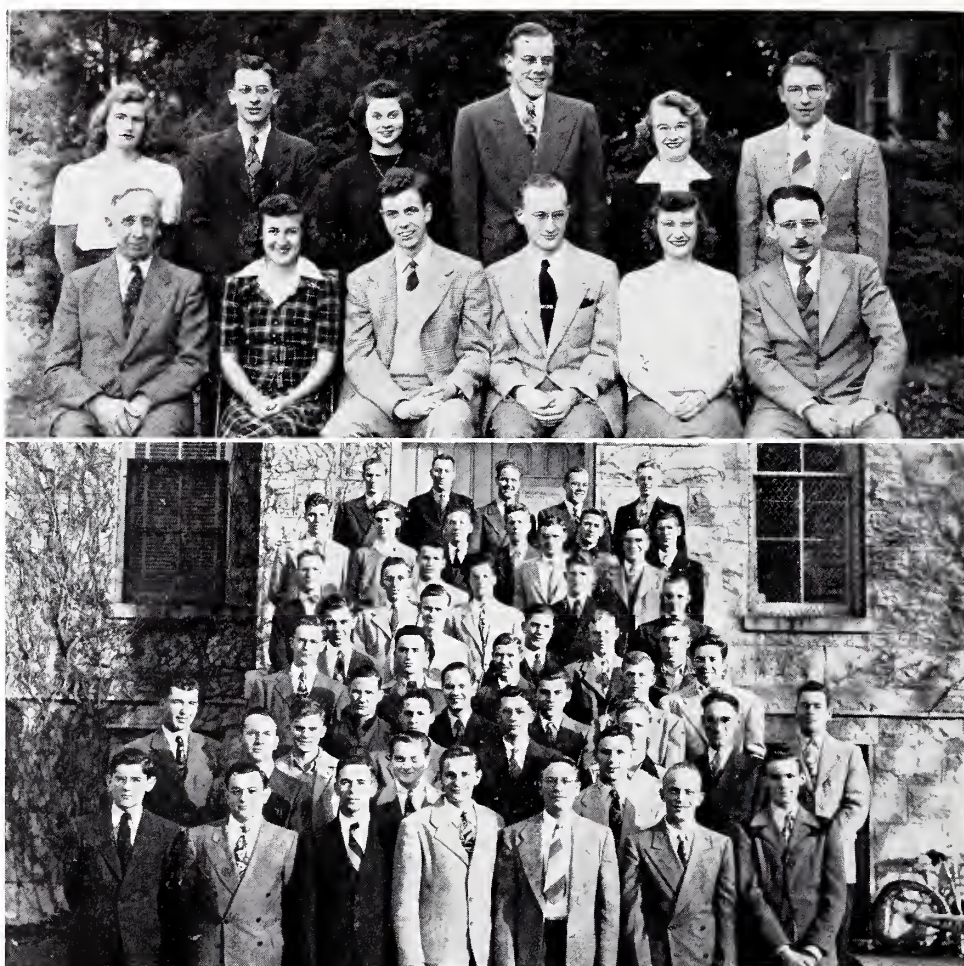

the hope of aiding them for the future. The WSSF Drive put NCC over the top in collecting money for the students in other parts of the world.

The men, like the women, take care of the new male students on the campus during the first week of school by helping them register and become acquainted with campus life. The Big-Little Brother Banquet tops off the first week of school. The members of the cabinet plan the fall Y retreat with the girls and they also spend the first week of school transporting the luggage of the students as they begin their stay at NCC.

The YMCA is composed of various committees and the president for the first semester was Richard Senn while Gene Detterman took over for second semester.

Standing: Don Geiger, Zimmerman, Dennis, Will, Tholin, Hinz, Doug Geiger. Seated: Senn, Hahn, Detterman, Daugherty, Ditzler, Miller.

Row 6: Hohn, Sites, Dougherty, Dennis, Miller, Seith, Trapp.

### *E. Y. F. Council*

The Student Evangelical Youth Fellowship is an up and coming college group although it is comparatively young. The members of this club plan the Student Sunday School and the evening programs. The advisors this year were Prof. Heinmiller and Dr. Deabler and Gene Detterman served as president. The group is composed of several commissions which carry on the work of the council. The commissions include: Spiritual Life, Missions, Social Action, and Recreation.

### *Seager Association*

Seager Association is made up of the Pre-Theological students of N.C.C. This group met twice every month in Seybert Hall of the Seminary and discussed various phases of the ministry. Occasionally, outside speakers led and joined the round table discussions. With Prof. Himmel as advisor and Edwin Daugherty as president, the club joined with the Y's and other religious groups on the campus in the promotion of several of N.C.C.'s religious functions.

## *Student Volunteers*

The common interest of this group, who plan on either missionary or religious education for a life work, is missions. The North Central group is a part of an international organization of college students. This division meets every night for a period of discussion preceded by devotions. Dr. Attig from the college and Dr. Harr from the seminary serve as its advisors. Mrs. Minerva Batt was the President this year.

## *Mooseheart Teachers*

Every Sunday morning, 22 students left Old Main for Mooseheart, Illinois, and the Mooseheart Institution where they taught Sunday School. Each teacher had an individual class in various rooms in the Theodore Roosevelt Chapel on the grounds of the school. The attendance to these classes was about 350 with an average of 18 children in each class. This group of people is sponsored by the Y.M.C.A. and Y.W.C.A. of college with Larry Hinz the chairman. Prof. Domm was the advisor to the group which handles deputation for the college in this very commendable way.

## *Alpha Psi Omega*

The largest dramatic fraternity in existence is Alpha Psi Omega. Delta Epsilon is the name of the chapter at North Central College, and it is under the direction of Prof. Oliver. The would-be members must prove their acting ability before they are invited to become members. Each prospective member has to be in the cast of at least three one-act plays and in the cost or backstage crew of one three-act play. Hal Field, the president of this year, led the group in discussing several plays which were in Chicago at that time. The new members are initiated and then play an important part in the organization. The group went to Chicago once during the year and saw the play "Harvey." This group is literally the backbone of dramatics on the campus.

## *Pi Kappa Delta*

This organization is composed of debaters, orators, and extemporaneous speakers, who are members of a chapter of the largest national society for people interested in this phase of speech. North Central is in the Iota chapter which is the largest in the country comprising Illinois and part of Wisconsin. To be eligible for membership in this group, one must participate in debate for more than one year and must also be victorious in over one-half of the debates in which he enters. Honors for extemporaneous speaking and oratory are very important to the student and the school and are highly coveted. Prof. Oliver is the advisor of this fraternity and George Yenerich is the president.

## *Varsity Club*

The Varsity Club has been an outstanding addition to the campus since the vets have returned. The total number in the club is around forty and the boys learn a great deal from the organization which encourages good sportsmanship while it builds outstanding athletes. The Varsity Club held an initiation service which was really something. The results of the activities of the day are shown in the above picture. The main project of the year began after the initiation with the Midwest Invitational Track Meet which was highlighted by the presentation of the Queen and her court. The Queen, Dorothy Juhnke, and her court, Marian Stengel, Doris Holle, Scotty Mullins, and Noreen Karris, were chosen by members of the Varsity Club, and they presented the various awards to winners.

## *Veterans Club*

Since the Veterans' Club itself would be too large to take a photograph of, the officers of the first semester are pictured here. The just returned vets enlarged the organization as well as adding more problems to the list of those which the club tries to solve for some of its members. Helping vets get apartments and back checks proved to be a big job. The vets put on a chapel program the first semester with a lawyer from Aurora who spoke on the situation of the vet today.

The club has a three-fold purpose: first, to promote ideals and uphold the traditions of the college and the veterans; second, to form a closer fellowship between veterans at North Central and other veteran organizations; and third, to aid the veteran academically and socially.

## *Sigma Rho Gamma*

Sing! That is the order of the N.C.C. chapter of Sigma Rho Gamma. From the talented and conscientious music lovers may come strains of the African chant or the Russian "jazzy." At the monthly meeting, this club spends most of its time studying the music of foreign lands and expanding its knowledge of American melodies. Visits to Chicago to musical plays are an added attraction for this group. Another aim of the club is to interest the rest of the student body in music.

Last year, with an alteration in the constitution, it was made possible for persons interested in music to join providing they belonged to another campus musical organization. With Prof. Luntz and Miss Schell as advisors and June Middlestadt as president, the club enjoyed a very good year.

## *S. A. A. C. S.*

The Student Affiliates of the American Chemical Society is a comparatively young organization at NCC. It was first organized in 1942 and at that time it was the only one of its kind in Illinois. All members must be Chemistry majors . . . a rule which is required by the American Chemical Society. In addition to being a chemistry major, a student must have completed two semesters of college chemistry to be eligible for membership.

The club has two main aims: first, to create interest in chemistry and secondly to prepare the student for full membership in the American Chemical Society. The faculty advisors are Dr. Katen and Prof. Schap.

## *Beta Beta Beta*

The Gamma Nu Chapter of this honorary biological fraternity was established nine years ago by Dr. Eigenbrodt. The membership was comparatively small at first but has grown considerably since 1937. This organization has a threefold purpose: first, to stimulate sound scholarship; second, to disseminate scientific knowledge; and third, to promote biological research work. The chapter sponsors the Zoology Club which holds open sessions exclusive of the BBB meetings. In addition, the fraternity, with the alumni gathered about, banquets annually in the zoology lab . . . atmosphere and all.

To become a member of this organization the candidate must be a Zoology, botany, or biology major, maintain a B average, and show interest and ability in the field.

## *Zoology Club*

This club is open to anyone interested in the field of Zoology, although the most active members are those who are majoring in Zoology. The club is sponsored by Beta Beta Beta and its competent and enthusiastic advisor is Dr. H. J. Eigenbrodt. This is the club where girls put aside their dislike and squeamishness for snakes, mice, toads and the like. The programs of the year consisted of book reports, illustrated lectures and movies.

### *History Club*

Students who enjoy delving into the past and increasing their understanding and appreciation of by-gone days are organized into the History Club. The monthly meetings are spent learning and interpreting happenings of yesteryear. The advisor, Dr. Attig, manages to add his bit of humorous interpretations of history that might be forgotten or overlooked in the pages of the past. All social events are centered around trips to historic spots in Chicago and historic holidays. The president for 1946-47 was Ethel Kohlhepp.

### *Commerce Club*

Eligible members are those with at least six hours of commerce credit. With the return of veterans, membership has increased greatly. The Commerce Club prides itself in promoting social as well as educational activities. Commerce students learn much that will be of value to them in business through stimulating discussions led by authorized speakers. Some members are already planning for retirement after the advice given by speakers for making their first million. Prof. Kerr has served as advisor to the club for several years; Bob St. Jules was president this year.

## *Dormless Damsels*

This organization is composed of girls living in private homes or commuting to college from out-of-town. Its main purpose is to afford some of the social life which is missed through dormless existence.

After electing the officers early in the fall, the girls cooperated in decorating a float for the Homecoming parade. At Christmas time, all the club members worked together in decorating the Union Room, with a tree and fireplace and other festive ornaments. At the monthly meetings, the girls have entertainment and discussion periods and frequently refreshments are served. The officers for the year were: Carol Jelinek, President; Alice Polka, Vice-President; Jean Reinheart, Secretary; and Betty Schloreb, Treasurer.

## *Home Ec. Club*

Home Ec. club has a two-fold purpose: first, the club aims to develop more professional interest in home economics work; and secondly, to create better sociability among the members. These present and future cooks hold their frequent meetings at Johnson Cottage and discussion and the programs dealt with home management. Other problems which are taken up by the club are child care, nutrition, consumer education and other related subjects. The group sent delegates to the Illinois State and Seventh Province conventions. The year's work culminates with a banquet in May. Marion Stengel served as president during 1946-47 and the advisors were Miss Kietzman and Miss Quilling.

## Writer's Club

Every other Monday night the members of Writer's Club meet at Prof. White's house to read their original manuscripts. This is the only all-school organization on the campus and is a great aid to those students who are interested in writing as either a hobby or a career. The members learn to give and receive criticism on their prose or poetic contributions. Writer's Club is responsible for the publication of the college's literary annual, the *CARDINAL*, which includes the outstanding works of the members. The president of the group was Ed Wendorf. Other officers were: Gertrude Wahl, Vice-president; and Mary Allen, secretary-treasurer, and Prof. White is the advisor. The editor of the 1947 *CARDINAL*, was Erwin Soukup.

## French Club

Smith Hall assumed an exotic atmosphere whenever French Club met there. Wierd sounding words echoed from its walls as the budding linguists practiced their pronunciation on each other and upon Mlle. Sicre, the club's advisor. French songs, games and refreshments highlighted the meetings. One of the most important projects of the year was the adoption of a French orphan to whom the club sends letters and boxes of food and clothing.

## WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

Who's Who Among Students in American Universities and Colleges is the overall distinction for outstanding college students . . . a nationwide honor organization that recognizes service to the school, campus activities, scholarship, and all honorary and social organizations to which a student may belong. One of the most interesting features of this organization is the Student Placement Service, through which our students are recommended to American employers who are seeking capable college graduates to fill responsible positions. This service is conducted for their benefit and is available to the students at any time. This entire plan is free in every respect and is the only national recognition for college students that involves no cost. The students from NCC who have been selected to have their names and biographies placed in this distinctive book are pictured above.

## HONORS SOCIETY

If you have that old gray matter functioning in high, you may be elected to NCC's Honor Society. Any second semester Junior or Senior with a grade average of 2.5 or more is eligible for this honor. This organization strives to maintain an interest in things of a scholastic nature and inspire underclassmen to greater intellectual heights since election to this society is the most highly prized academic honor on the campus. Honorary keys are distributed to the members by the college.

# THE COLLEGE CHRONICLE

The College Chronicle . . . unknown before matriculation, forgotten after graduation . . . should be an historical record of the four years a student spends on the campus of N. C. C.

Except for a very few on the staff of the present and those of the past, the majority of North Central students fail to appreciate the never ending grind which the Chronicle staff has in seeing to it that every Wednesday after chapel another chapter in the historical record is distributed for consumption.

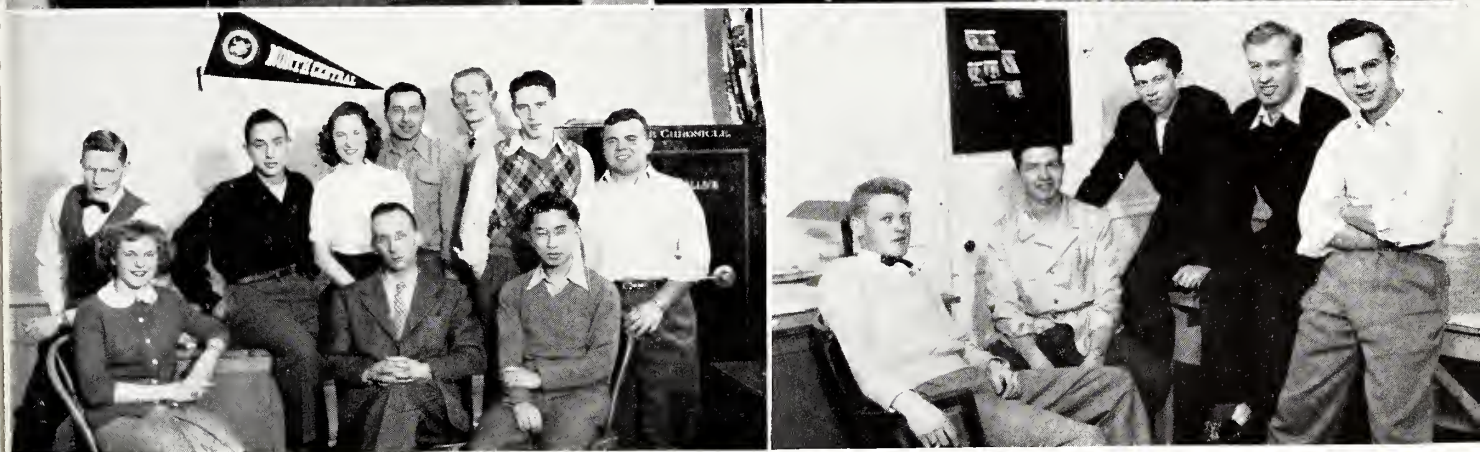

This year's staff had even more than they had bargained for when it ran into printing troubles. The printers lost some of their employees and both the printer and the Chronicle ran out of paper. However, through the work of Lorraine Allen and Don Thompkins, first and second semester publishers respectively, their assistants

Verne Martin and Dorothy Juhnke, and with the help of managing editor Ward Larson, news-editor Laurel Moench, rewrite editor Evelyn Peterson, and sports-editor Harumi Kojimoto, the editor-in-chief Ollie Schlueter was able to watch each issue come off the press as scheduled.

The Chronicle staff was enlarged with the help of the various department editors and the school was given complete news coverage. During 1946-47, the nucleus for a strong newspaper staff with structural organization was formed in the underclassmen. With the Publications' Board's appointment of Professor Eastman as the editorial advisor, the Chronicle has taken strides toward becoming one of the best collegiate publications in this area.

## THE 1947 SPECTRUM

The original idea for the 1947 SPECTRUM came to light in the Toy factory where your humble editor worked. It was discussed there with other intellectual highbrows from NCC and the final product of that summer's work is shown here in this book. We hope you like it.

By September of 1946, the war was over but the peace brought many new problems to be faced by the staffs of the 1947 yearbook. The biggest problem of the year was getting pictures since the book should be more or less a pictorial review of the year. If we had film, we didn't have flash bulbs and finally when we got both of these items, the camera broke down. But as you can see, we did manage to get a few pictures into this edition and thanks for them go to our photographers, Blakeslee, Arden and Munger, and to the many students who brought in snapshots.

Mounting was another job and through the efforts of Monie Gam, Dwight Rieke, and Ann Oertli, the pictures for the book were fixed and sent to the engraver.

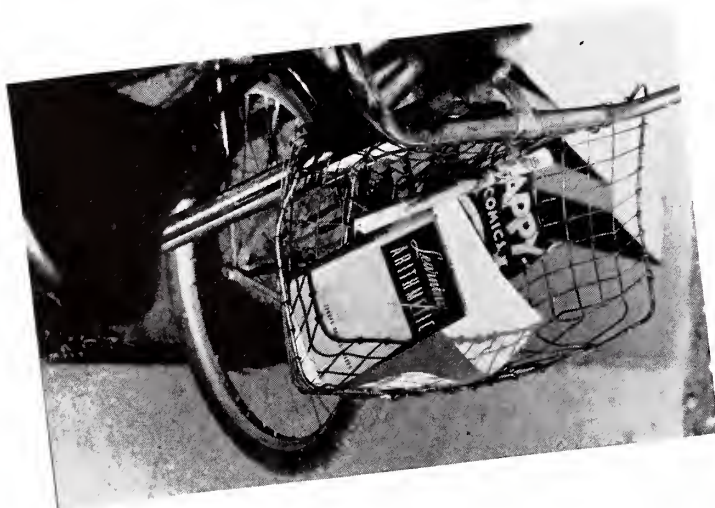

All this while the business staff was hard at work too, getting ads in order and collecting money. With the aid of Perry, Heningson, Rechenmacher, Heuser, and Dick Harrison, the financial end of the book was held very high and actually made the rest of the book possible.

Thanks are hereby given to all the other workers too. The literary staff composed of Wiltfang, Holmes, Foote, Arden, Prescott, Johnson, and Jelinek deserves praise for all the work they did. The same goes for the art staff: Roesti, Redfield, Weiss, and Herman Cook. Siegert, Bode, Schneider, Schaffer, Lindahl, and Phillips helped in doing many of the small but still important things necessary in publishing the 1947 SPECTRUM.

We'll make thy honor know,  
And oft look back to watch the course

# COLLEGE DAY 1946

College Day for 1946 was another exceptional event for North Central College and it especially interested those students who might enter NCC sometime in the future if they didn't in the fall of '46. The day began with the flag raising, the style show and the Chapel program, at which Herby Barrett presented the 1946 SPECTRUM to Mrs. E. E. Rall. Registration and departmental exhibits continued throughout the morning and early in the afternoon, a water Ballet was presented. After the baseball game with Lake Forest, the annual May Fete was held in Merner Fieldhouse. In the evening the Senior Class Play, "Here She Comes" was produced in Pfeiffer Hall. Immediately after the play, the King Rex program was put on to the delight of all in the fieldhouse. King Rex and the May Queen are chosen each year by popular vote of the entire student body, and Gladys Sebeck, senior of Warrenville, was chosen the new Queen and for the first time in the history of NCC, two men were elected to be the Kings Rex during 1946-47, Bill Barrett and Bob Kolb.

GLADYS SEBECK  
Queen

King Vic and Queen Helen Thornton and their court for 1945-46.

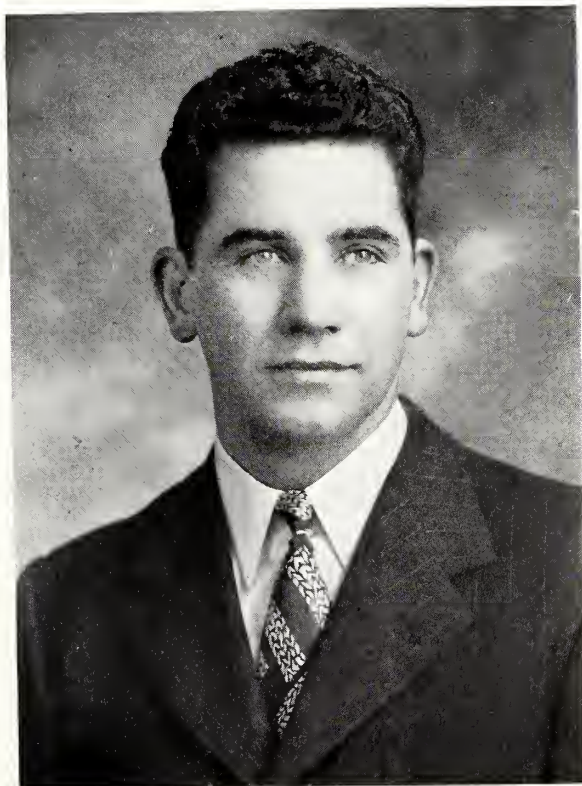

Queen of the May for 1947 was Gladys Sebeck popular singing Senior. Gladys was a member of Chapel Choir and Women's Glee Club since her entrance to NCC. She served as vice-president of Choir when a Junior and held the same office in the glee club as a Senior. Other musical activities for Gladys, who graduates with a Bachelor of Music degree, included membership in Sigma Rho Gamma, national honorary musical fraternity, and in the Girls' Sextette. In her Senior year, Gladys was elected to Honors Society and **Who's Who Among Students in American Universities and Colleges** in addition to being chosen May Queen.

WILLIAM BARRETT

Bill Barrett has been a popular member of North Central's campus from the time he first caught a ball for the CARDINALS. Bill aided many a Student Council meeting along during his last two years as member of that august group. Other activities for Bill included such things as Varsity Club and membership on the Student Union Board of Control in his Junior year. Scholarastically, Bill rated high enough to belong to Pi Gamma Mu and Honors Society and in his Senior year, he was elected to appear in the 1947 edition of **Who's Who Among Students in American Universities and Colleges**. But perhaps the most important thing Bill did during his whole college career occurred in June, 1946, when he married a former NCC student, Herby Gamertsfelder.

The other King Rex for 1947 is Bob Kolb, native of Big Stone City, South Dakota. Bob came back to NCC in 1945 a veteran and completed his Junior year. However, he obtained a position with the forestry department in his hometown and did not return to North Central in 1946. Many of the students will well remember Bob and the fancy swimming he did for the school.

# JUNIOR-SENIOR BANQUET

The Junior-Senior Banquet, in honor of the Class of 1947, was held on December 6, 1946, at the Itasca Country Club. The toastmaster for the evening was Clarence Rickleff, the president of the Junior Class.

The menu for the evening included such delicacies as: roast chicken, buttered peas and carrots, candied sweet potatoes, dressing, giblet gravy, combination chef salad, rolls, and for dessert, cake and coffee.

After dinner, the program began with Allan Hosler at the piano. The address of welcome was presented by Ed Wendorf, and the president of the Senior class,

Herman Siedshlag, gave the response. During the remainder of the program, the Seniors were entertained with a solo from John Meekma, a piano skit by Virginia Rice, and a trumpet solo by Edward Zager. Dr. C. H. Geiger, our new president of NCC, gave the address of the evening. The banquet concluded with the singing of the Alma Mater.

The chairmen of the banquet committee were as follows: Menus and seating: Charlotte Steiner; Transportation: Everett Queen; Decorations: Marj Holtorf; Favors: Doris Holle; Finance: Jeanne Callagan; Lounge Party: Carol Simonsen and Virginia Rice.

# CONCERT LECTURE SERIES

## THE PHILHARMONIC MALE QUARTET OF CHICAGO

The first concert of the season came to NCC on October 11 with the appearance of the Philharmonic Male Quartet of Chicago and Miss Lida DeValle, soloist. The audience of college students and townfolk were entertained with classical and popular songs from the five performers. Music of the old masters was included in the first part of the program with such songs as "The Glory of God's Creation" by Beethoven. Miss DeValle did an excellent portrayal of "Estrillita" and "Maid of Cadiz" with an encore of the tuneful and much-loved "Gianina Mia". The next number of the quartet was perhaps the one enjoyed most by the audience: "The Song of the Flea" in which they expressed themselves very effectively. "The Animals Are Comin'", a Negro spiritual, was a lively and well-chosen encore. Miss Smith, the accompanist, also showed her ability at the Pfeiffer organ with the playing of several numbers showing the effective tones of the instrument. In the final group of songs, the quartet sang some of the more popular pieces such as "I've Got Rhythm" and "Smoke Gets in Your Eyes". Without a doubt, the most entertaining and spontaneous selection was "Who Killed Cock Robin"? The ingenious costume effects added just the right touch to the courtroom scene.

## JOHN MULHOLLAND, MAGICIAN

The audience was enthralled on the evening of November 11, as John Mulholland performed his many tricks. He was a former psychology teacher who has now turned to sorcery with which he thrills thousands of people. This was a return engagement for the well-known personage and his arrival was anxiously awaited by those who had seen him previously. He has traveled extensively through Europe and the Orient collecting material on ancient and modern magic. He has written several outstanding books on magic and is also the possessor of a priceless library of the magic of many centuries, peoples, and cultures. On this program he performed several of the tricks he has learned in the Orient, the most fascinating of which was the "hoop" trick. Other tricks were done with handkerchiefs, appearing and disappearing. The most amazing feat occurred when the magician caused words to be written on a slip of paper which was in a billfold in the audience.

## E. POWER BIGGS, ORGANIST

The Pfeiffer Hall Memorial organ was the center of attraction on January 17 with the appearance of world-renowned E. Power Biggs. Mr. Biggs is outstanding in radio and concert circles and has appeared as soloist with most of the concert orchestras throughout the East. He has made numerous concert tours and has played in Orchestra Hall in Chicago several times. A disciple of the classic school, E. Power Biggs has recorded many outstanding classical numbers on Victor records. Although born in England and educated in the Royal Academy of Music, he is now an American citizen. He has played in many famous and historic cathedrals in England and after his arrival in Boston, became the official organist for the Boston Symphony Orchestra. Mr. Biggs brought out many hidden notes on our Merner organ by playing music which has been expressly written for the organ. He played the organ so beautifully that the audience was conscious of music coming from the very soul of the instrument.

(Editor's note: this photograph of Mr. Biggs was taken while practicing in the afternoon.)

#### Mlle. Emma Boynet

The subject of the old and new French masters was the theme of the lecture-recital which the famous Parisian pianist, Mlle. Emma Boynet, presented in Pfeiffer Hall the evening of December 4. She was born and educated in Paris where she was a pupil of the famous Isidor Philipp of the Paris Conservatory. She is a frequent and favorite guest of the Boston Symphony Orchestra. Miss Boynet has appeared in Paris, Antwerp, Amsterdam, Brussels, Madrid, and Geneva where she has always received the highest praises. Her repertoire includes offerings by such composers as Chopin, Debussy, Ravel, Fauré, Mozart, Chabrier, and Schumann. The magic of the world the old composers knew was present in Pfeiffer Hall that night as well as the modern interpretations of life by the French composers. Ravel's "Noctuelles" seemed to speak the conflicts and frustrations of the more complex modern society while Bolbaste's "Romance" was mindful of the drawing room setting of another society.

#### Dr. Luther Gable, Physicist

Dr. Luther Gable, radium-uranium physicist, gave us a few of the secrets of radar and atomic energy on Friday, February 28. Besides demonstrating the theories behind these scientific discoveries, he spoke of some of the new terms which are coming into more common usage in the industrial world. Dr. Gable conducted a demonstration in darkness to illustrate the medium of "block light". Through the use of fiery "color symbols", he showed the steps leading to the development of atomic energy. He also showed how the uncanny eye of radar reports ships and planes. Dr. Gable has served 3½ years in the Army signal corps and received a citation and award for outstanding contributions at Fort Monmouth Signal Laboratories. At present he is a member of such organizations as: American Association for the Advancement of Science, and the Institute of Radio Engineers.

# HEART SIS WEEK

Heart Sis Week is one of the most important events for girls on the campus. This week is sponsored by the Y.W.C.A. with the chairman of the Freshman work committee in charge. Marilyn Daw was the chairman this year and with the aid of Grace Norenberg, Betty Gibson, Audrey Eichelberger, and the other girls who helped in the kitchen, one of the most successful teas was held in the parlors of Kroehler Hall. The tea is the climax of the week at which the girls discover who their heart sis was. Heart Sis week is set aside each year for girls to choose the name of another and spend the rest of the week in doing things for her. Some girls send valentines, buy cokes and other food, make up their beds and do anything that might help their heart sis. After a week of anonymous gift-giving, the girls enjoy a spot of tea and thank their heart sis for all she did.

Gee, something for me? Wonder what it is!  
Ah yes, those wonderful teas! Have another cup!

## AN ACKNOWLEDGEMENT

The 1947 Spectrum has been made possible by the unfailing efforts of many people. At this time we wish to thank them! To Mr Koretke for his professional photography service . . . To Mr. Norman Koenig and Mr. Motherway for their aid in solving our engraving problems . . . To Mr. Oliver Rogers from Rogers Printing Co. for his professional help . . . To Mr. Cooley and Mr. Kase of the S. K. Smith Cover Co. for designing the cover . . . and to our staff, Gloria Spatharos for assisting the Editor . . . To Dick Harrison and helpers for compiling the Student Directory . . . To Jim Blakeslee and Kelvin Arden for photography . . . To Chuck Wilfang, Alice Holmes, Mary Branigan and Marilyn Daw for typing copy . . . To Monie Gam, Ann Oertle and Dwight Rieke for mounting pictures . . . and to all the others on the Staff who worked diligently, we offer a hardy and sincere . . . THANKS!

## Rich in Educational and Cultural Advantages

Not only has Chicago and Northern Illinois grown industrially great but also it has become rich in the things that give character and permanence to an area—its educational, humanitarian, and cultural advantages.

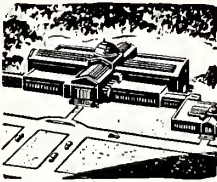

Throughout Chicago and Northern Illinois are universities, colleges, technological and scientific institutions, splendid schools, great libraries, distinguished museums, churches and theological

schools, great hospitals, centers of basic research, all ranking among the finest in the world. Some of these opportunities are indicated below.

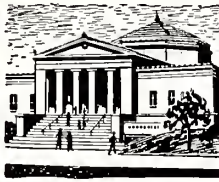

Cultural and educational wealth is only part of this area's many advantages. Industries seeking locations can secure confidential and detailed studies concerning Chicago and Northern Illinois from our Territorial Information Department . . . confidentially and without charge.

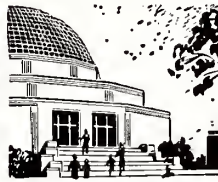

**Museum of Natural History** in Chicago. One million visitors yearly.

**Museum of Science and Industry.** Foremost of its kind in the world.

**Shedd Aquarium.** Ample home for 10,000 varieties of fish.

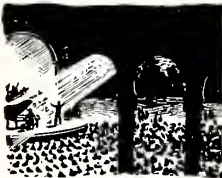

**Adler Planetarium.** First in U. S., reproducing panorama of the stars.

**Chicago Historical Society.** History dramatized in the many exhibits.

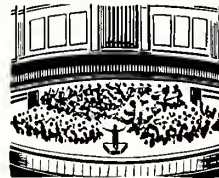

**Chicago Academy of Sciences** in beautiful Lincoln Park.

**Ravinia Festival.** Symphonic music all summer under the stars.

**Important libraries** in region contain more than 10 million volumes.

**Chicago Symphony,** founded in 1891, the best traditions in music.

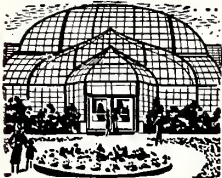

**Grand Opera's home** in Chicago, the 42 story Civic Opera Building.

**Starved Rock,** one of 16 state parks preserving historic natural sites.

**Great Medical Schools** and hospitals make area a top research center.

**Gorfield Park Flower Conservatory,** largest under one roof.

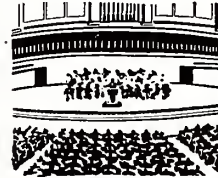

**Brookfield Zoo.** Animals in surroundings simulating natural habitats.

**Beautiful churches** give religious inspiration to all creeds.

**Blockhawk Statue,** Rock River. Important works by famous sculptors.

**Sunday Evening Clubs** typify hundreds of lectures and discussions.

**87 universities, colleges,** technical schools provide unrivalled opportunities.

**Theological schools** here are unsurpassed in the nation.

**The Skyscraper,** U. S. contribution to architecture, originated here.

**Motion pictures** and theatrical performances attract millions yearly.

**Appreciation of dramatic arts** aided by specialized schools.

**Chicago school of writers** has influenced American literature.

**Art Institute** with world's largest school and one of finest collections.

Industries locating in this area have these outstanding advantages: Railroad Center of the United States • World Airport • Inland Waterways • Geographical Center of U. S. Population • Great Financial Center • The "Great Central Market" • Food Producing and Processing Center • Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of Power • Tremendous Coal Reserves • Good Government • Good Living • Good Service for Tax Dollars • Send for free booklets containing useful information on these advantages.
